Matthew CANNON last talked to family members the first part of April 2011. At the time he was homeless and had been living in the Redding area for approximately one year. He did not have plans on leaving Redding.

CANNON'S mother reported him as missing because it is unusual for CANNON to not call family members and his cell phone mailbox is full.

Anyone with information on CANNON'S whereabouts is asked to call the Redding Police Department at (530) 225-4564.
